

Current parents and their immediate families are welcome to use the School's gym and pool for recreational purposes.

When using the facilities, please follow the rules that are displayed at the entrance to the gym and pool.

Pool tags, which identify you and your family as members of the Christ Church community, are available from the Main School Reception, from the beginning of Term 1. These tags authorise entrance to this facility.

All users, other than current students of the gym, will be required to have a health assessment completed as a condition of entry. Your health assessment should be booked on the booking sheet in the gym. On completion of this process you will be issued a new gym users' badge. A fee of \$25 applies for a health assessment.

Opening hours for each facility can be found on the School website and will be periodically updated in the newsletter.
